Article 1 - Price, type and amount of admission tickets

1.1 Ticket prices are quoted in Euros net of tax. Full price, reduced price and free tickets are available for sale online. Visitors who are eligible for a discounted or free ticket must present proof of identity and the relevant receipts. A reservation fee is charged for each paid ticket.

The conditions governing reduced rates and free admission may be consulted at the following address: <http://en.chateauversailles.fr/plan-your-visit/conditions-free-admission>

On purchasing a full rate ticket, the Visitor waives all forms of discount or gratuity they may be entitled to for their visit.

1.2 The EPV limits the amount of tickets sold to 15 and 5 free tickets (except for bulk and group sales, which are not governed by the present Terms & Conditions of Sale).

1.3 All orders, regardless of their origin are payable in euros excluding taxes (pursuant to the provisions of Article 256 B of the GTC).

1.4 The prices applied are those in effect on the day the order is placed. The EPV reserves the right to modify its prices at any time. Service Provisions are invoiced based on the prices in effect at the time of the order.

Article 2 - Availabilities

The EPV provides a pre-defined amount of tickets for sale on its Website. The EPV reserves the right to increase or reduce the number of tickets for sale.

Tickets sold via the Website do not entitle the holder to priority access (i.e. No-queue tickets) except for tickets which specify admission without queueing. Each ticket is valid once only for the corresponding Service Provision. Tickets are sold for the specific day of visit selected by the Visitor.

Tickets are purchased in real time. The Website will thus inform you of the availability of tickets when you place your order.

'My cart' enables you to verify that the order placed corresponds to your request. As long as payment has not been made, you may modify the content of your order on the 'My cart' page.

For all claims after validation of the transaction, please refer to Article 9.4 below.
